

GENERAL INFORMATION

Immersion Program

A. Introduction

The Immersion program is a package of *bahasa* Indonesia learning program designed for learners with at least intermediate level of proficiency.

This package is designed with a specific syllabus and a wide range of fieldtrip options in Yogyakarta to enhance learners' communication skills in *bahasa* Indonesia and to help them acquire information relevant to their jobs, needs, and interests by immersing themselves in a community of their choice.

B. Programs

Two types of packages are available:

1. 5 Day Package

2. 10 Day Package

Learners undertake 3 sessions a day and they cover two sessions of class activities and one session of fieldtrip to an institution or an expert.

a. Institutions

We provide 11 fieldtrip categories of institutions specializing in the following fields:

1. Gender
2. Interfaith
3. Conflict Resolution
4. Politics
5. Health
6. Islam
7. Environments
8. Economics
9. Law
10. Communication Media
11. Others (upon request)

b. Experts

We provide experts with different field of expertise, such as:

1. Human Rights
2. Macroeconomics
3. Indonesia's Political Sociology
4. International Relations
5. Islamic Economics
6. Papua and Poso
7. Social Development
8. Peace and Conflict Resolution of Islamic, etc.

The number of learners per class is 1 – 4 persons. There can be a special calculation and arrangements for more than 4 learners.

GENERAL INFORMATION
